Message from **Academic Director**

The private junior colleges in Assam (now senior secondary schools) have been imparting quality education to the students for the last few years. Strict discipline, punctuality and hard work of the teachers of these institutions are the key factors for the success of their students.

With an experience of more than 35 years as a college teacher, I can very well read the minds of many students and also am able to show them the way to success. Brilliant Academy in North Lakhimpur, Assam is a brilliant institution shaped by a few of my brilliant students with good academic careers. The institution has been imparting quality education to its students for the past few years and I have all my faith in the entire family of this institution as I vouch for its robust establishment as a prime learning centre in Assam in the near future.

To this institution, I welcome all the new students who have come with high hopes and aspirations to succeed in life. Being a part of this esteemed organisation, I assure that I will extend my sincere moral and academic help to all the students in their overall learning.

Thanking you all

"Education is the most powerful weapon which you can use to change the world." - Nelson Mandela.

Dear Parents and Students,

It gives me immense joy to present the overview of the experiential learning system of our Academy through this prospectus. A senior secondary school of Science and Arts, Brilliant Academy encourages every child to participate whole-heartedly.

Quoting Mandela, I would like to ensure that the education we impart shall not only empower the students for their future endeavors but also shall urge their holistic growth and development. They are encouraged to explore their potentials and achieve their personal best in all the aspects of life. Focusing on the development of their individual identity, the students are challenged and engaged through a lot of learning opportunities as our Academy organizes annual programmers that help in developing zeal in being creative, confident and resilient that will ensure an independent and moral way of living in the long run.

I am also very fortunate to work with a dedicated, innovative and caring faculty members who have contributed immensely to the well-being of our institution. Apart from academic qualifications, their constant support and encouragement is evident throughout their service. Working and learning together every single day, we strive to provide our students the best environment possible.

Welcoming all to the family of Brilliant Academy, I assure never to fail you in any aspect of education that we promise to impart. I hope this prospectus shall give you a deeper insight to all requirements you seek for.

Best wishes and regards.

Pradip Gogoi

Message from **Managing Director**

From a modest beginning in the year 2017, it gives me utmost pleasure to acknowledge the fact that Brilliant Academy, an established junior college in North Lakhimpur, has been growing to its excellence ever since. I genuinely appreciate all the members of this Academy for their constant display of hard work and perseverance.

In a world of competition and an unending race to come first, the inhabitants of this planet have forgotten to live. But, it is evident in the daunting efforts of the members of this institution to lighten the burden of their students and teaching them the art of life through the different tasks they organize. It feels good to see the students engaging themselves in working out their inherent talents and capabilities with the teachers being their guiding light.

I would encourage all to continue this zeal to work together and make the world a better place to live in. I extend my sincere and best wishes to the entire family of Brilliant Academy. May it achieve heights!

Best wishes and regards.

Mr. Arup Bora
Managing Director

Message from **Rector**

"The spread of civilization may be likened to a fire; first, a feeble spark, next a flickering flame, then a mighty blaze, ever increasing in speed and power." - Nikola Tesla

Deeply inspired by the thoughts of Nikola Tesla, we started the journey of Brilliant Academy, North Lakhimpur, 2017, ensuring to create a spark in our young minds that would later take the shape of a blazing fireball of enthusiasm and energy to excel in life.

Before anything else, I take this opportunity to thank you for showing your valuable interest in our institution. I sincerely express my gratitude for all the hard work and dedication of the authority for the establishment of this academy.

Our primary focus is to train our students to become person with conscience, competence, compassion and commitment. Along with academic excellence where the challenges they face in life with critical and certain skills, we emphasize on fastening humanitarian excellence in our students so that they grow up with empathy and social responsibility as their prime focus. Ensuring the best moral character, our students shall learn to discriminate between good and bad. For the last four years, Brilliant Academy has faithfully pursued these goals with single-minded focus, commitment and dedication.

All our students, powerhouse of talent and resources, are nurtured through a proper process of personal accomplishment rather than leaving them like the empty buckets filled with a large amount of information. The college curriculum is designed to facilitate intellectual, effective, moral and spiritual growth of each student through various extra-curricular, co-curricular and curricular activities. To facilitate this, we have made a serious effort to assemble a team of dedicated and enthusiastic faculty members. Our goal is to see the academy excels in all the areas of academic excellence.

I take this opportunity as Rector to express my gratitude to Brilliant Academy and wish the best for their future endeavors.

With Best wishes & Regards

Message from the **Board of Directors**

Welcome to all of you to the new academic session of Brilliant Academy- an institution with difference. We are very happy and thrilled to be partnering with you in establishing an exciting educational journey in fulfilling the dreams of our children. In this journey filled with excitement, we will together engage in a holistic exploration of the education that we promise to impart. With individual care and a friendly environment, we strive to cultivate the working of inherent potentials that exist in every student.

Well, in the age of globalization, the world has turned into a village and our institution leaves no stone unturned in propelling the internal and external transformation that shall foster and nurture in the children the ability to fit in globally. Taking in consideration both the modern and traditional ways of imparting knowledge, we strive to give the best of everything that shall definitely contribute to the nation-building. The methodology we adopt encourages the students' imagination to spread wings and not restrict their thought processes. In addition, our school is encompassed with talented, young and well-qualified teachers who pull out all the stops in delivering their sincere service. Thus, we can solemnly vouch for the quality of education that we intend to impart, considering the excellence of our literati.

To conclude, we would like to stress on the fact that we work together as an entity in moulding the best possible future for our students. Ergo, it is an earnest appeal to the parents and the students to work together in unity which shall help in achieving the desired and targeted result. Consequently, we believe, it will significantly contribute in creating a better and a healed future for the ailing earth we live in.

This brochure will take you on a tour as you will get the glimpses of various activities and the rich diversity of our Academy in fulfilling the dreams of our young hearts.
Thank you.

Goodwill Message

Education can lead a society from darkness to light. In this overall program of leading to light, the responsibility of an educational institution is to provide guidance to its students and to educate them with formal-informal education, with an ultimate view to make the students ideal citizens. In the meantime, the Brilliant Academy of North Lakhimpur has successfully developed a conducive background to parallelly promote good students and good citizens.

I convey my best wishes to all the teachers and students of Brilliant Academy. May you all be successful.

Best wishes

ABOUT **Brilliant Academy**

विद्यां ददाति विनयं,
विनयाद् याति पात्रताम्।
पात्रत्वात् धनमाप्नोति,
धनात् धर्मं ततः सुखम्॥

[Education leads to sensibility, sensibility attains character/qualification, from that comes wealth and from wealth (one does) good deeds, from that (comes) joy]- Hitopdesha

Brilliant Academy, a senior secondary school of Science and Arts, established in 2017, has triumphantly accomplished the task of creating a significant mark among the well-established institutions of the town. With an éclat of 100% result in the last AHSEC Final Examination, the Academy has successfully instilled in its students the ability to discover their individual identity that would not only make them sensible but capable enough to contribute to the larger umbrella of world's growth and development. With the best teaching brains, we are committed to provide the best assistance possible for the progress of the students. We are bent on exploiting the strengths of each of our students to the hilt and to divert each of their weakness into positive direction instilling a value system.

The Academy is situated in Chinatalia Road, Ward No. 8, North Lakhimpur. It is a co-educational Senior Secondary School that follows both English and Assamese as the medium of instruction.

Apart from the regular curriculum of Board Examination, a new project in the name of "Integrated Science" is introduced this year for the students passing class Xth Examination (For both SEBA & CBSE) to make them competent and familiar with the competitive examinations like NEET, JEE(Mains), JEE(Advanced). It will benefit the students for the board exam as well as for various competitive exams.

Vision

The Academy believes in one of the ancient Indian philosophies on education, "विद्यां ददाति विनयं" (Education leads to sensibility) and therefore, it is committed to create a spark in the already existing power of reception in the tender minds of the children through an education that follows both modern and traditional techniques. Our vision is to materialize the dreams and aspirations of our students by inculcating values and morality.

Mission

- To equip the students with advanced knowledge and latest skills in their chosen discipline.
- To nurture a civilized spirit of curiosity among the students.
- To provide value-based education that will mould them into good and responsible citizens.
- To help in the flourishing of the young talents, both hidden and obvious, acknowledging their individual identity.

Aim

The famous and wittiest essayist, Francis Bacon says, "Knowledge is power". With an aim for the students to achieve power and exercise it for the betterment of our society, we provide quality education through our young, energetic and experienced teachers.

Why You Choose Us

In order to promote quality education, committed and qualified team of faculties will guide our students in every aspect.

- Enabling the students to understand the basic of the core subjects.
- Enabling the students to acquire the skill of analyzing problems to ensure optimum all-round performance.
- Providing moral values with a view to combat real life problems.
- A continuous evaluation on the second Saturdays and Sundays and fourth Saturdays and Sundays of each month will strictly be conducted and all the students are bound to appear in these examinations, to the failure of which, a fine of a particular sum for each subject will be imposed.
- In this cut-throat competitive environment, we will give our best to prepare the students to achieve the unachieved and scale new heights.
- To excel in various physical and psychological activities, the academy conducts Sports Week.
- Daily doubt clear sessions apart from regular classes.
- To ensure special care for our culture and tradition.

Integrated Science Program

Every child is a gift and our Integrated Science Program helps them to flourish. From this Academic Session, we are going to introduce this program that will solely focus on the special preparation for Medical and Engineering Entrance Examinations. The courses are tactfully designed by our concerned faculty members and are unique and as per the latest examination pattern. We shall provide Subject wise Booklets designed according to the syllabus of the entrance examinations. These booklets will focus on building a strong foundation of knowledge and concepts that will ensure the best preparation possible. For adequate practice in each subject, topic wise questions will be distributed to students which will help them in gaining confidence and command on individual topics. We have transformed exhaustive learning process into fun; concepts are simplified to the ground level to help them in learning throughout their lives.

Curriculum

The institute follows the syllabus prepared as well as approved by National Council of Educational Research and Training (NCERT) under Assam Higher Secondary Educational Council (AHSEC).

Academic Events

Gandhiji once said, "Education is the all round development of mind, body and soul." Our institution creates every possible way to enhance the all round growth and development of our students. These events are organized annually where the young minds can discover their talents and not be confined within the wall created by rigorous strain from the syllabus and books. These are the following events that the Academy organizes:

Literary Events

- Quiz •
- Extempore Speech •
- Speech •
- Debate •
- Poem Recitation •
- Essay Writing •

Sports

- Cricket •
- Badminton •
- Kabaddi •
- Chess •
- Carrom •
- Musical Chair •

Cultural

- Dance •
- Rangoli •
- Mehendi •

Academic Events

Exhibition

The academy organizes art and photography exhibitions that showcase the bewildering talents of the young minds, equally stupefying the onlookers. These are some of the glimpses of the exhibition.

Magazine

It has been rightly said, "Pen is mightier than the sword"; therefore, in order to preserve the talent and abet the independence that is achieved through words, our institution publishes a magazine with the name, 'অনুরণন' (Anuranan)". Our students give their best in pouring their hearts out in various forms like poems, essays, stories and the likes. It channelizes the zeal of the budding talented writers; also, the acknowledgement of their talents motivates them to nurture and condition their skill for betterment. Apart from the students, our teachers also have their immense contribution to the magazine through their pieces of writings and this inculcates a tradition of writing in the students.

Wall Magazine

It is a periodical run on a notice board and the students contribute their articles, poems and drawing and compositions. Our institution has three wall magazines, one each in the school campus, boys' hostel and girls' hostel.

College Facilities

Library

A library is nothing less than a paradise. Our institution has created a well-stocked library, with books and journals of all kinds that help in broadening the critical bent of minds of our students, newspapers, in Assamese and English, to keep the students abreast with the current affairs and to broaden their world knowledge.

Laboratory

What's the use of all the classroom interactions without the practical application in a well-equipped laboratory? The laboratories of our institution are definitely fully-equipped with the latest state and are often maintained. The furnishings and the appliances have enough spares for immediate onsite repairs, ensuring the minimum loss of time for the students.

Campus Canteen

Food makes us happy, always. Isn't it? But a clean preparation is what makes a canteen special. Hence, ensuring the hygiene, we have one inside the campus, selling some healthy and tasty food items at a student-friendly reasonable price.

Medical Facility

Unforeseen health related situations are inevitable. To tackle such situations, our institution provides health care facilities to the students by providing First Aid and other basic facilities round the clock.

CCTV

How can one ensure a healthy interaction among the teachers and students in a classroom? As a solution, our classrooms have CCTVs installed not only to check on the behaviour of the students but also on whether a teacher is teaching efficiently in the class or not. These surveillance cameras ensure the comfort of the parents who are informed on a regular basis with all the good and bad activities of their children and the actions taken by the authority.

College Uniform & Identity Card

Boys

Blackish Blue Pant, White Shirt with Navy Blue Stripes, Black Shoes, White Socks, Blackish Blue Blazer, Red Tie with Blue Stripes, Black Belt.

Girls

Blackish Blue Skirts, White Shirt with Navy Blue Stripes, Black Shoes, White Socks, Blackish Blue Blazer, Red Tie with Blue Stripes, Black Belt .

Identity Card

The institute will provide Identity Cards with colored photo to the students which must be worn on all the weekdays. Also, on any formal/informal occasion held by the institute, wearing the identity card is compulsory.

College Hostel

H

ostel is a place where students discover themselves out of their comfort zones and learn to live together. Our institution provides hostel accommodation to both boys and girls of the college at separate locations. We provide healthy meals with options for both vegetarian and non-vegetarian food items. Clean water supply and electricity for 24 hours are special facilities we provide our boarders with. To avoid chaos and to maintain discipline among hostel boarders we have made a few rules and regulations which are being administered by our faculty members as wardens and hostel supervisors.

Rules & Regulations

- No student is permitted to leave the hostel without the consent of the parents and without the permission from the Principal through the respective wardens.
- No student shall remain in the hostel during class hours without the permission of the authority.
- Ragging of any sort will be treated with utmost strictness.
- Visitors can pay visits to the wards only during the specified visiting hours.
- No male visitors are allowed into the rooms of girls' hostel; similarly, no female visitors are allowed into the rooms of boys' hostel.
- Consumption of cigarettes, tobacco, alcohol and any other intoxicating substances is strictly prohibited.
- The boarders are strictly not allowed to paste any posters/pictures/papers on the walls, doors and windows of the hostel.
- Causing disturbances to the neighbours through fun, noise and any sort of chaotic activities is punishable.
- If any room in the hostel is found damaged by the boarders, the authority will impose penalty on the concerned student/students of that specific room.
- Most importantly, mobile phones are banned in the hostel. If found, one has to handover the mobile to the authority. No parents' appeal will be entertained.

General Rules & Regulations

- It is mandatory for all the students to enter the campus on or before 8.45 A.M. The Academy prayer starts at 8.50 A.M in the presence of all the faculty members and thereafter, the classes start from 9 A.M onwards.
- All the students are required to attend the institution in full uniform with their identity cards.
- Maintenance of strict discipline is expected.
- Students are strictly forbidden to leave the Academy premises during regular college hours.
- Use and intake of gutkha, drugs, cigarettes and any kind of intoxicating substances are strictly prohibited inside the college campus. If anyone found guilty, strict actions will be taken.
- Students are not permitted to bring or use mobile phones inside the college campus. If any mobile phone is found, the authority has every right to take strict actions against those students. No appeal from the concerned parents will be entertained.
- The authority, without prior permission, does not allow any arrangement of function by the students, either in the campus or in the hostel.
- Absence without leave application is punishable.
- All fees should be cleared in the notified dates.
- Students must have at least 95% of the attendance.
- Students are expected to keep decency and decorum in their dress, hair and behaviour.
- Students are also expected to be vigilant on the cleanliness of the campus and the classrooms. They should see that no damage is done to the college property.
- Considering the pandemic, all the students are bound to wear face mask.
- To Students fail to present in the class without any valid reason will be imposed a fine of Rs. 30 per day.
- Appearing in all types of internal examination conducted by the academy is compulsory or else a fine of Rs. 300/- per subject will be imposed on the concerned student.
- The decision of the Management shall be final and binding in case of any dispute.

I love to be a part of Brilliant Academy. The teachers are so friendly and helpful and their teaching is always satisfactory. The environment of this academy is silent and good. (82%)

**Rajesh Doley**

I am very much honoured to study in this academy and I would say that it is the best academy to the best of my knowledge. To talk of the teaching environment, it is quite good. All the teachers treat us equally, help us in acquiring knowledge and encourage us and give us enough inspiration. Every teacher has their unique individual way of teaching and I like the teaching ways of all the teachers. (75%)
